# Application Questions

These questions are provided for your further study and application of today's sermon. Thoughtfully writing out the answers to these questions will help to drive home the point of today's study. It is also helpful when you are able to discuss your answers with others. For more information about small groups at Compass Bible Church that utilize these questions as the basis for their weekly discussion, please call the church office at (949) 540-0699 or email us at [SmallGroups@CompassChurch.org](mailto:SmallGroups@CompassChurch.org).

1. Read **Joshua 24:14-15**. During the settlement of Canaan, Joshua had seen a lot of "worldly" alternatives to being loyal to God. What are some of the costs for a Christian today who chooses for his or her home to be a place where family members are resolved to be faithful to the Lord?
2. Read **Romans 11:36** and **1 Corinthians 10:31**. What are some of the practical differences one might see in a family that took these profound truths seriously as compared to a home that hadn't given them much thought?
3. Read **Ephesians 5:22-33**. Why do you imagine that God intended marriage to be such an important relational core for each family? What are some of the struggles and challenges that the family incurs when that foundational relationship is threatened, weakened, or destroyed?
4. Read **Psalms 27:10-11**. Why should Christians maintain a biblical optimism even when family structures have been damaged, impaired, or dissolved? How have you seen God work to do good in spite of these disadvantages?
5. Read **Hebrews 10:24-25**. What would you say to a Christian family that finds no time for a significant involvement in the body of Christ?
